One of the biggest first place winners was the one-act play, "The Woodshed," which won out over very tough competition. Miss Leatherwood directed the play and coordinated the meet.

School Year Ends With Commencement

The school year officially ended May 24, when commencement exercises were held at the Garland Road Church of Christ building.

As the 51 seniors received their diplomas and walked out of the auditorium, the event marked the end of an era at Dallas Christian. Gone is a class that for 4 years put its mark on the school. Gone, too, will be the building which housed that class for so long, and gone will be many of the teachers who both taught those students and learned from them.

The future, however, will turn for Dallas Christian High School WHETHER GOOD OR BAD, one thing is for certain: DC will never be the same.

Billy Led the Way

Of all the players that ever have worn the Charger Blue and White, none have been greater than Billy Alexander. All told, Billy set eleven school records including most yards gained rushing in a game (200) and in a career (2106), most total yards gained in a career (2693), and most points made in a career (150). He made the TISC "All Conference" and the Dallas Times Herald "All Private" teams two years in a row, was voted "All State" by the Texas Private School Association, and was named "Defensive Player of the Year" by the Dallas Morning News.

Billy will be remembered, however, for more than records. Beset by injuries most of his career, he never complained but instead fought back at every setback with courage and determination. In everything, he was a winner.

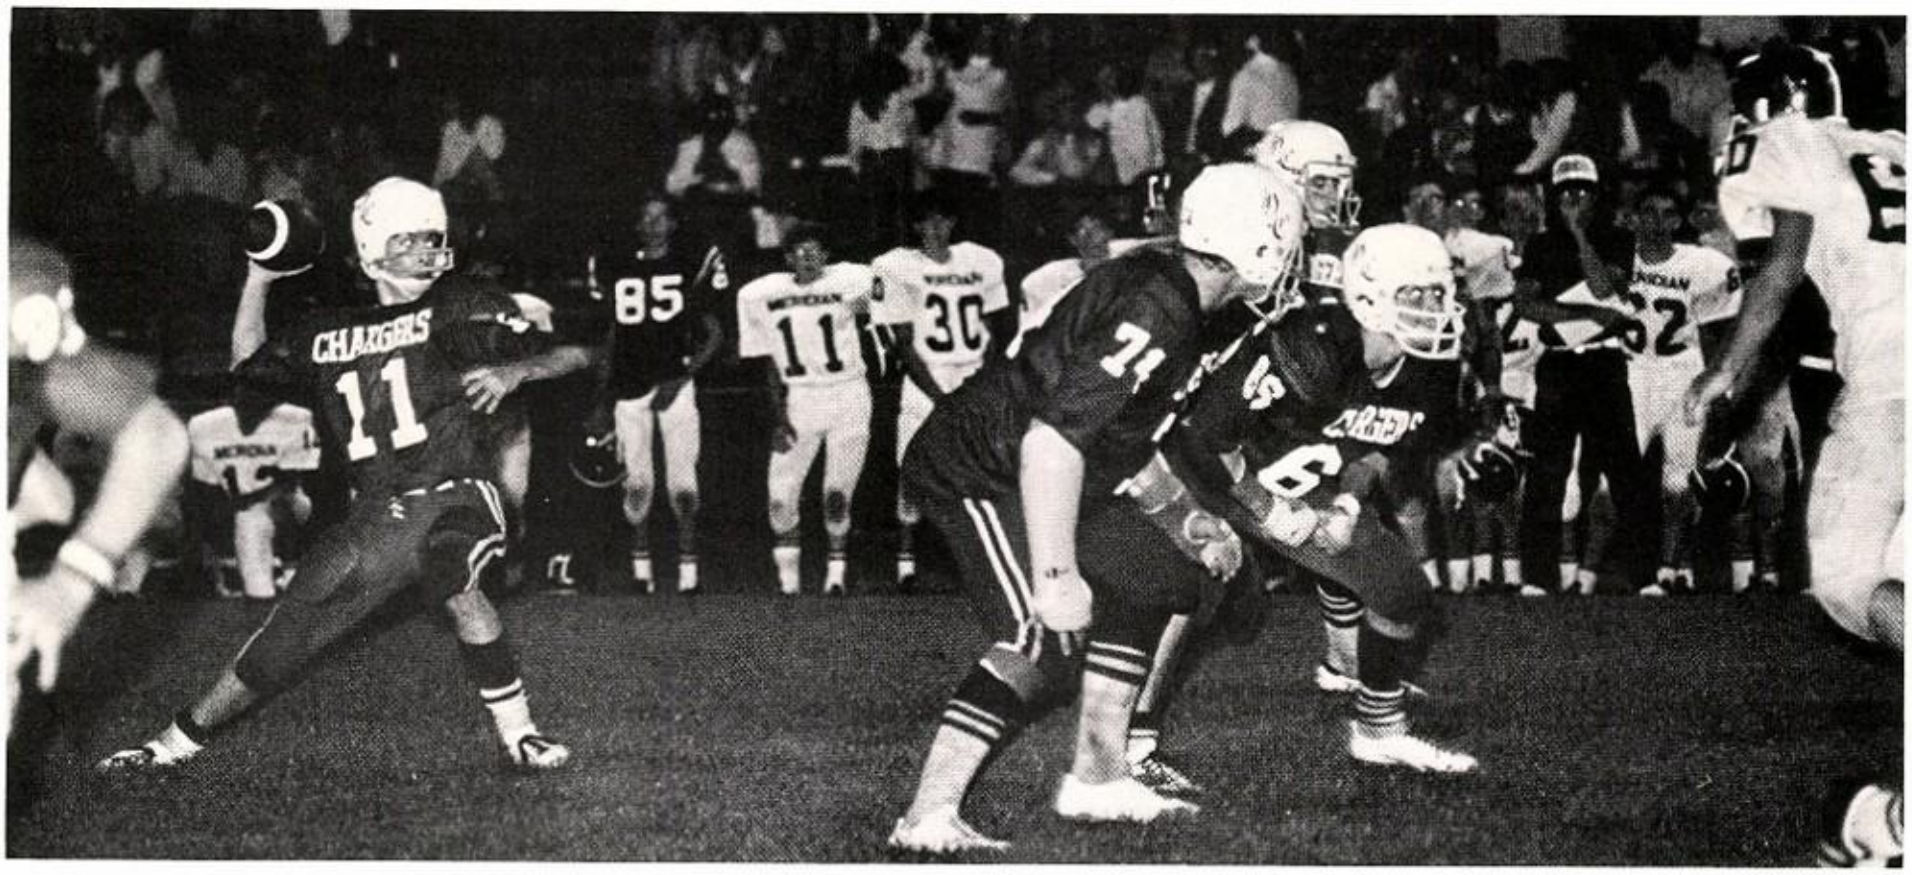
And the Chargers Followed

Against St. Marks in the first game of the year, DC undoubtedly played the finest game, tying the Lions 0-0. Although a 4-touchdown underdog, the Chargers held firm against the brutal Lions' attack throughout the game. The climactic moment came deep in the fourth quarter when St. Marks, armed with momentum, stood knocking on the door with a first down on the Charger 2 yard line. The defense, led by Billy Alexander and Don Sloan, held on downs and the offense came to the rescue with a 46-yard pass from Alexander to Tim Havens. It was a beautiful night.

Havens hauls the bomb.



Packer let's it play.

The Offense Faltered

The Chargers' hopes for an undefeated season crashed the next week against state-ranked Meridian. The Blue offense could not move the ball consistently, and the defense was burned twice to spell defeat.

The Blue and White stormed back the next week against Trinity Christian, gaining 500 yards and scoring 45 points. This was the start of a 4-game winning streak which included victories over Tyler Gorman, Lakehill, and Cistercian. The Gorman game was especially memorable for another great goal line stand, this time stopping the Crusaders who owned a 2nd down on the Charger 3-inch line in the last minute of the game.

The Chargers never lost their pride, however, coming back the next week to stomp Greenhill 33-7. It was sweet revenge for the Blue and White who had fallen before the Hornets for 2 straight years. The win also gave DC its eighth straight winning season.

The Charger Basketball Team of 1973-74 enjoyed the finest year in the school's history posting a 25-5 record and winning their third straight Texas Independent Schools Conference Championship. The team set many records, including an incredible win streak of 38 straight conference games. It was a veteran team which started four seniors and possessed a perfect combination of ability and experience. Defense, however, was the key to the Chargers' success. It was preached fervently by Coach Price and played to perfection by the players.

After an opening loss to Ferris, DC gained momentum and entered conference play with a 9-3 record. The Chargers continued their outstanding play in league action, winning their first eight games by an average margin of 22 points. In the ninth game at Cictercian, the Chargers seemed ripe for an upset. Plagued most of the night by bad officiating and their own poor play, DC found themselves behind by 17 points with only five minutes to play. Everyone had given up but the players, who, in a furious comeback, outscored the Hawks 21-4 to tie the game and send it into overtime. Two overtimes later, the Chargers won the contest by a score of 83-77. DC followed this with three straight conference victories and took second place in the Texas Christian Schools Tourney at Abilene.

The record streak ended in the next to the last game at Trinity Valley as the Chargers fell 58-56. DC showed its character, however, and downed Greenhill twice to take the conference championship. The second game was especially memorable because it was won in overtime with a 45-foot basket by Steve Doudney.

Though youthfulness and inexperience cost them several games, they played exciting basketball and should help the Charger Varsity teams of the future.

DC Begins Girls' Basketball

For the first time in its history, Dallas Christian fielded a girls' basketball team. A young team, which included only one senior, tried their best and worked very hard. The team had four wins - three over Lakehill and one over Trinity Valley. The highlight of the season was the victory over Trinity Valley. After losing to TV in the first game, the girls came back in the second game to win in overtime play 48-40.

Cooperation and teamwork were the keys to the success of the 1974 Senior Play. Thirty cast members and several crew members worked together to produce a senior play in which almost every senior participated in some way. Miss Leatherwood and Mrs. Alexander helped Miss Moore with casting and directing, while Don Cobler worked on the lights and set. Juniors Joe Gainer and Rick Timmons were the only underclassmen to help the seniors in the production. It was a play to remember!

From the beginning of the school year, the 1974 yearbook staff had two goals: to pay off a dollar debt totaling $1,319.73, and to produce the best yearbook DC has ever had.

To accomplish the first goal, many staff members worked extremely hard selling ads, school pictures, decals and carnival booklets, and working the Mini-Market at the PTA Auction. The same hard work and dedication paid off again to accomplish the second goal.

Special thanks must be given to all the staff members who worked so hard and especially to Miss Moore for holding everything together and working so hard for us.

1972-74 PTA Sets New Records for DC

1972-74 proved to be the most successful years in the history of the CSI PTA. Led by a dynamic president, Randall Thompson, the PTA raised over $18,000 during the 2-year period.

Upon taking office in May, 1972, the officers were faced with a deficit of over $5,500. Refusing to let this situation dampen enthusiasm, Mr. Thompson led the group in making unprecedented and far-reaching plans.

The climax of the 2 years' work came on March 9, 1974, when a huge auction was held in the DC gym. Through the cooperation and work of countless individuals, the auction raised about $14,000 for CSI.

The active concern of the PTA for student activities was vividly demonstrated when the yearbook staff was allowed to operate the Mini-Market, and $1,100 of its proceeds was given to the staff to make the final payment of what was originally an almost $2,000 debt, incurred 3 years ago. Several other student organizations benefited from the PTA Auction.

The 1973-74 SQUIRE Staff salutes the 1972-74 PTA officers for their self-less dedication to Christian education and for their active interest in student activities.

In Appreciation

The 1973-74 SQUIRE Staff wishes to express sincere appreciation to GARY BARTLETT, BUZZY DREWS, DON COBLER, and GEORGE SUMKA for their work in photography. A very special "thank you" is given to DALE LENHERT for his special photography work for the annual.

We also owe much to LARRY CROOKS for his active interest and cooperation. Grateful appreciation goes to MRS. JACKIE WILLITS, LYNN LOW, and DAN ANTHONY for their hard work and help in the Mini-Market.

BOBBY CAMPBELL, RANDALL THOMPSON, and GENEN STEPHENS have also helped in many ways.

We Thank You All!

all washed out?

Maybe your synthetic "washable" garments have lost their shape and lustre. Our professional dry cleaning can restore "washed out" clothing to the original good looks that good grooming requires.

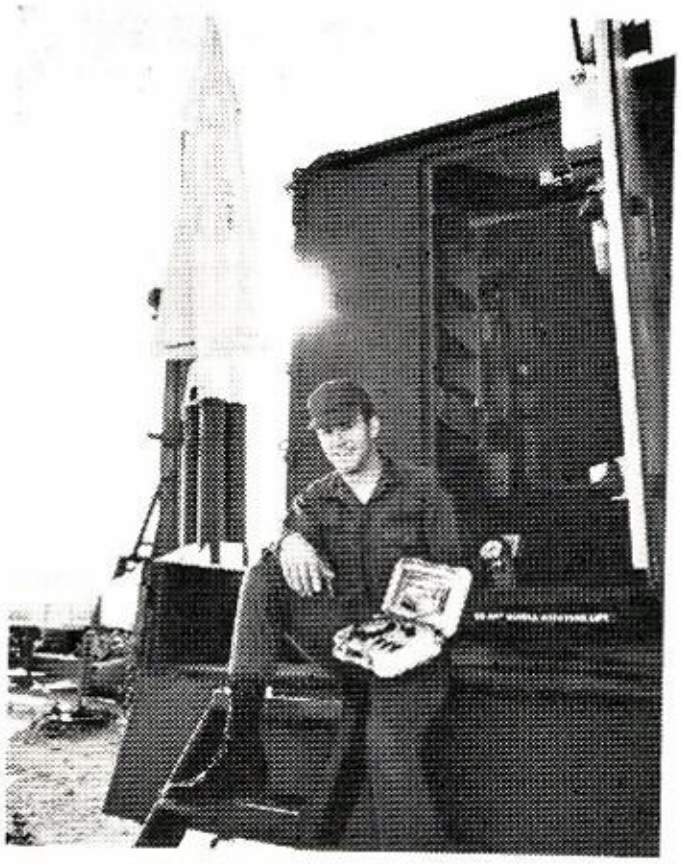
You could spend as much to learn a skill as we'll pay you.



You've graduated from high school, and you're looking for a good job. But to get one, you need training that could possibly cost hundreds of dollars in trade or technical schools.

Today's Army offers you this training, and a salary, too. $307.20 a month before deductions, to start. And that's money in the bank when you consider that expenses like food, housing, medical and dental care are all free.

We have over 200 excellent job-training courses. Taught by qualified, professional instructors, with equipment you can't wait to get your hands on.

And you can pick the training you want. In electronics, communications, law enforcement, food service, administration, construction, you name it. If you're qualified, we'll guarantee it, before you enlist.

So if you'd like a headstart on your career, at our expense, see your local Army Representative.

Harding College is PEOPLE-Centered

Harding can't help it. More than 2000 students make up the Harding family and we are proud of every one. They come to us from 48 states and 20 foreign countries.

Because Harding is PEOPLE-centered, we feel a deep responsibility to our students while they make Harding their home away from home. At Harding students are not merely computer numbers, but individuals, with individual goals and needs.

An education at Harding includes a close rapport between students and faculty. This communication between educator and student not only promotes scholastic achievement, but also is a key factor in Harding's Christ-centered education.

Yes, we at Harding are interested in PEOPLE! We believe an education should be a learning, growing, maturing and character-building step toward the future. Harding is PEOPLE-centered and dedicated Christians are our most important product.

Finally, Brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

Hail to thee our Christian High School,

Thanks and praise this day we give,

We extol thee, laud and glory,

By thy standards may we live,

Ever firm is thy foundation,

Ever straight thy pathways be.

Keeping us from worldly evil,

Alma Mater, Hail to thee.
